

Cipher Labs Model 1500 Hands Free CCD Scanner

As illustrated the Cipher Lab's 1500 CCD Scanner

The new Cipher Lab 1500 tethered CCD scanner raises the standard for performance, style, and affordability. An incredibly comfortable design and innovative three-way stand makes it easy to use all day long. A large LED and adjustable tone ensure instant scan recognition, speeding workflow. No moving parts and Cipher's reputation for reliability means ultra-low maintenance, giving remarkable low total cost of ownership. Plus a five year warranty guarantees years of worry-free service.

The Cipher Lab 1500 delivers where reliability, durability, comfort, speed, safety, and value matter.

The optional smart three-way scanner stand makes good sense, is easily adjustable and good looking. The stand works on a vertical surface, on the desktop or elevated for **HANDS FREE** auto-sense scanning in the workplace. This makes it ideal for use in libraries.

All of the above supplied with 5 years warranty.
